

RAMSAY WORDEN ARCHITECTS LTD. is seeking a Senior Site Administrator experienced in concrete and/or wood frame residential construction. Knowledge of the latest building envelope practices as well as relevant codes and standards such as BCBC, VBBL, ASHRAE and NFPA is essential. Completion of the Building Envelope Education Program (BEEP) program and/or the CP program will be an asset. Applicants must be registered with the AIBC or eligible to be registered in the Province of BC.

Please send resumes by email to bholmes@rwa.ca. Salary will be commensurate with experience. Ramsay Worden Architects Ltd. is a mid-sized architecture firm located in Vancouver, BC. Our work encompasses a wide variety of residential and civic architecture, and urban design, primarily in the Lower Mainland. Further information on RWA can be found at www.rwa.ca.
